### FROM POPE FRANCIS

#### Growth in maturity

*Growing older means preserving and cherishing the most precious things about our youth, but it also involves having to purify those things that are not good and receiving new gifts from God so we can develop the things that really matter. At times, a certain inferiority complex can make you overlook your flaws and weaknesses, but that can hold you back from growth in maturity. Instead, let yourself be loved by God, for he loves you just as you are. He values and respects you, but he also keeps offering you more: more of his friendship, more fervour in prayer, more hunger for his word, more longing to receive Christ in the Eucharist, more desire to live by his Gospel, more inner strength, more peace and spiritual joy.*

*But I would also remind you that you won't become holy and find fulfilment by copying others. Imitating the Saints does not mean copying their lifestyle and their way of living holiness: "There are some testimonies that may prove helpful and inspiring, but that we are not meant to copy, for that could even lead us astray from the one specific path that the Lord has in mind for us". You have to discover who you are and develop your own way of being holy, whatever others may say or think. Becoming a saint means becoming more fully yourself, becoming what the Lord wished to dream and create, and not a photocopy. Your life ought to be a prophetic stimulus to others and leave a mark on this world, the unique mark that only you can leave. Whereas if you simply copy someone else, you will deprive this earth, and heaven too, of something that no one else can offer. I think of Saint John of the Cross, who wrote in his Spiritual Canticle that everyone should benefit from his spiritual advice "in his or her own way", for the one God wishes to manifest his grace "to some in one way and to others in another".*

*[Pope Francis, apostolic exhortation, CHRISTUS VIVIT —to the young people and the entire people of God]*

### FROM FR. HENRY DUC

No matter who we are in the Church, we all share one thing in common, that all of us started from the starting point of Baptism, our first and most sacrament that cleansed us from the Original sin and has made us members of the Church, the Body of Christ. It is good to keep in mind that the baptism that one of our most little ones received at Seven Hills, in fact, is just as precious as the one of Pope Francis, so we should be proud of it.

When Pope Francis baptized 32 children in Rome last Sunday, he gently reminded the parents to take charge of their growth in the faith, ensuring "that they grow with light, with the strength of the Holy Spirit through catechism, help, instruction and the example you give them at home." The Pope's recall of the role of the Holy Spirit in the sacrament of Baptism very much echoes John's story of Jesus' Baptism, in which he claims to see the Holy Spirit coming down upon Jesus under the form of a dove, and openly declares himself to be Jesus' witness.

John's declaration here is vitally important for us to keep in mind, because it reminds us of what we are called to do as baptized people, that each of us has the duty to bear witness to the Lamb of God, the One John dutifully prepared his contemporary to welcome.

In other words, we got to remember that we by means of Baptism, are invited to carry on John's mission to make the Lord welcomed in our own lives and also in the ones of others by the way we talk about him, and especially by putting his words into practice.

Let us pray today both for a better appreciation of our own Baptism and for a stronger commitment to fulfil our baptismal call to make Christ present in our witnessing lives.

Have a baptismal-oriented week.

Fr. Henry

## PARISH NEWS...

### PARISH DIRECTORY 2020

Our annual parish directory is a very useful source of information for anyone new to our parish or for those who are parishioners and would like to stay informed with important information and events. Pick up your copy from one of the doors of the church today!

### THANK YOU to ALL PARISHIONERS

Our Lady of Lourdes Conference of the St. Vincent De Paul society wishes to thank all parishioners and the school for their kind donations of Christmas hampers for us to distribute amongst the poor people in our community. In a great show of interfaith co-operation, we have also received many donations from the Seven Hills Ismaili community. Thank you everyone, we are very grateful for your generous contributions.

All of this enabled us to successfully distribute some 68 sizeable hampers throughout our parish and no doubt these hampers made a great difference to many people. I also wish to acknowledge the help given to us by the youth group of this parish who did a stellar job with the distribution of hampers by providing their services and vehicles to accomplish their work with minimum guidance.

We extend our wishes to you all for a great 2020.

God be with you always.

Reno Abela [President OLOL Seven Hills Conference]

### OUR PARISH 'TAP AND GO' SYSTEM

It has been a normal and popular practice in various parishes in our Parramatta Diocese and other ones in the country to have the TAP & GO system in place, known under different names in different churches. Anyway, whatever it is called, it mainly means to upgrade the way we make donations to the parish far easier, especially for those, who haven't yet joined our Enveloped Program.

We are thinking of installing the system shortly with a five dollars limit at two different locations in the church: One at the main entrance, and the other at the side door to carpark. If you have a good suggestion for naming our system, please give our Parish Office a ring, and we are looking forward to hear from you.
